4. For Existing Account Holders

If you already have an account with Bharat AI, follow these steps to sign in:

Step-by-Step: Signing In

Step 1: On the homepage, locate and click the "Sign In" button.

Step 2: You will be redirected to the Parichay authentication system, which is India's secure government login platform.

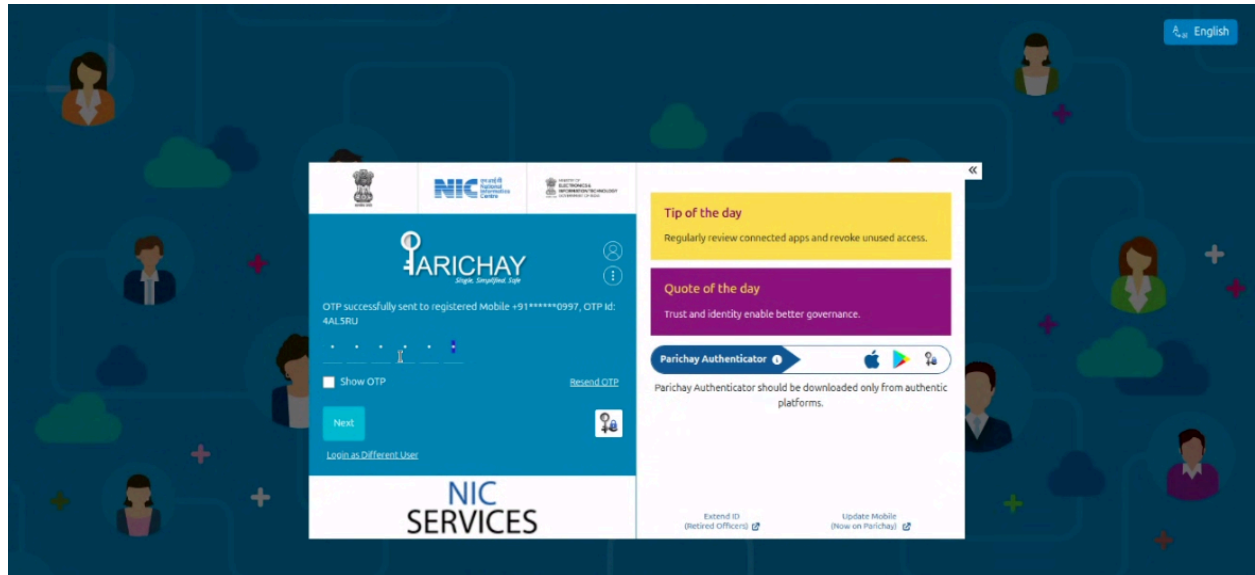

The screenshot shows the Parichay login interface. The top navigation bar includes the Government of India emblem, the NIC logo, and the Ministry of Electronics & Information Technology. The main login area is blue with the Parichay logo and tagline. It contains fields for email/mobile number and password, along with checkboxes for passwordless authentication and terms of use. A 'Next' button is present. To the right, there are two informational boxes: 'Tip of the day' (Enable multi-factor authentication (MFA) for your account.) and 'Quote of the day' (Secure authentication protects citizens and systems.). Below these is a 'Parichay Authenticator' download section with links to the App Store and Google Play. At the bottom right, there are links for 'Extend ID (Retired Officers)' and 'Update Mobile (Now on Parichay)'. The footer of the page says 'NIC SERVICES'.

Step 3: On the Parichay login page, enter your credentials as follows:

- Enter your official email address or registered mobile number

- Enter your secure password
- Check the consent/agreement checkbox
- Click the "Next" button to proceed

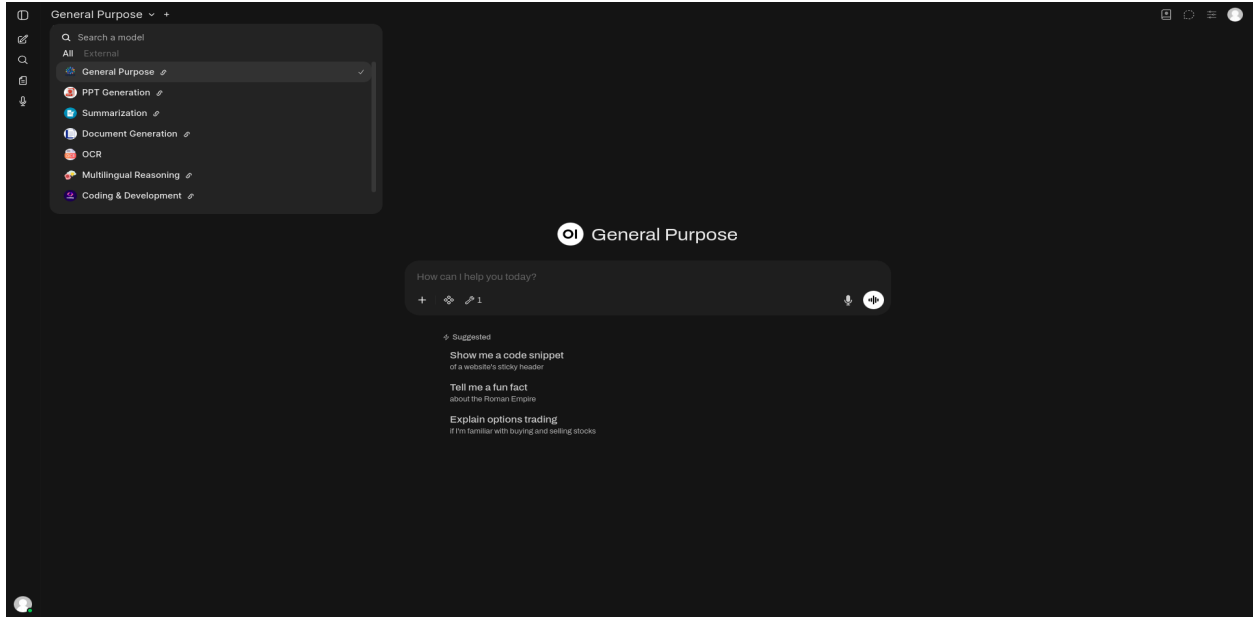

Step 4: If you select passwordless-based authentication, you will receive an OTP (One-Time Password) on your registered mobile number.

Step 5: Enter the 6-digit OTP you received on your mobile phone in the designated field.

Step 6: Click the "Next" button to complete authentication.

Step 7: Upon successful verification, you will be redirected to your Bharat AI portal dashboard.

5. Signing In to Your Account
